

CompTIA

Managed Services
COMMUNITY

Who should join? “Anyone who is passionate about managed services and wants to improve the industry and their business!”
John Tippet, VP of New Markets, SnapAV & Chair of the Managed Services Community

Why? Our goal is to bring together MSPs, distributors, consultants, thought leaders and facilitate collaboration among experts and peers in the managed services field.

How? Email Managed Services community staff Leader, Lisa Person lperson@comptia.org or any CompTIA employee.
